Copies: An original and 11 copies of the complete application should be filed with the Department. Additionally, please provide an original and 5 copies of any confidential or financial documentation which is separately bound, such as biographical information.

Notice Published by Applicant: Notice of intent to file an application must be published once a week for three (3) consecutive weeks in a newspaper of statewide circulation. The first publication shall be within ten (10) calendar days prior to the application's filing date. Publications must provide for a fifteen (15) day comment period beginning with the actual filing of the application. Original proofs of publication must accompany the application to the Bank Commissioner.

See Attachment - **Legal Notice**

Fee: Applicant shall submit to the Department a non-refundable filing fee of \$5,000 for purchase or assumption of a majority of the assets and liabilities.

Confidentiality: Pursuant to the provisions of the Freedom of Information Act, the application is a public document and available to the public upon request, with the exception of personal financial statements submitted in support of the application.

If Applicant is of the opinion that disclosure of commercial or financial information would likely result in substantial harm to its competitive position or that of its subsidiaries, or that disclosure of information of a personal nature would result in a clearly unwarranted invasion of personal privacy, confidential treatment of such information may be requested. The request for confidential treatment must be submitted in writing concurrently with the submission of the application, and must discuss in detail the justification for confidential treatment. Such justification must be provided for each response for which confidential treatment in the public portion of the application is requested. Applicant's reasons for requesting confidentiality should demonstrate specifically the harm that would result from public release of the information. A statement simply indicating that the information would result in competitive harm or that it is personal in nature is not sufficient. It must be demonstrated that disclosure would meet either the "substantial competitive harm" or "unwarranted invasion of personal privacy" test.

Information for which confidential treatment is requested should be: (1) Specifically identified in the public portion of the application (by reference to the confidential section); (2) bound separately from the public portion of the application; and (3) labeled "Confidential". The same procedure should be followed with regard to filing any supplemental information to the application, or in filing personal financial statements.

The Department will determine if information submitted as confidential will be so regarded, and will advise Applicant of any decision to make available to the public information labeled "Confidential". However, it shall be understood that, without prior notice to Applicant, the Department may disclose or comment on any of the contents of the application in the Order or Statement issued by the Department in connection with a decision on the application.

Pending Applications: Summarize all applications pending or approved but not yet consummated of (a) Applicant, (b) bank subsidiaries of Applicant, (c) Target, and (d) bank subsidiaries of Target. Include applications to acquire or establish subsidiaries, establish branches, charter a new bank, merge or consolidate, or transfer assets and liabilities.

Stockholders Meeting: The application must be accompanied by a certified copy of the minutes of the meeting of the selling bank's shareholder(s) at which the corporate action was approved. In addition, please submit a certified copy of the resolutions authorizing the transaction adopted by each bank's Board of Directors.

Dissenting Shareholders: The owner of shares of a state bank which were not voted for a corporate action, and who has given notice in writing to the state bank at or prior to the meeting of the stockholders approving the corporate action, that he dissents from the corporate action shall be entitled to receive in cash the value of the shares held by him, if the dissenting stockholder has delivered a written demand for payment to the resulting bank at any time within ten (10) days after the date on which the stockholders' meeting authorizing the corporate action was concluded. A.C.A. § 23-48-506.

Notice of Public Hearing: Notice of the time, place and purpose of the public hearing considering the application by the State Banking Board will be given at least **thirty** (30) **days** before the hearing date.

Stenographer/Recorder: Applicant is responsible for procuring and paying for a verbatim record of the proceedings of the Board hearing of the application. It will be the duty of Applicant to furnish at least one (1) copy of the transcript to the Commissioner free of charge. A.C.A. § 23-46-406(f).
